Report-Training for Microsoft Certification

Smt. CHM College signed a Memorandum of Understanding with ATS Infotech Pvt. Ltd., a **Microsoft-AEP (Authorized Solution Partner)** on 12th July 2017 to execute a training programme for "Microsoft Certification Examination" for its students. The role of the college was defined as "Resource Partner" to provide the prerequisite infrastructure like lab(s) with Computers, LCD Projectors etc., required for training. ATS Infotech Pvt. Ltd.'s role was defined as "Delivery Partner" for providing free of cost training for students who enroll for the Certification examination.

The first training program under this MOU was conducted from 24th to 26th December 2017 for those B.Sc.(IT) students who enrolled for "**Cyber Security Certification Examination**". A total of 33 students from the second and third years of B.Sc. (IT) were enrolled in the said examination. The feedback received from students who attended the programme clearly indicated the quality of training. The students received course materials and certificates in electronic format. They all passed the examination at their first attempt.
