Report

Date: 5th September 2018

Talk on: Skill sets required for Jobs in industry: An employers Perspectives

By : Mr. Rajiv Diwan (Free lancer HR Trainer)

Organized by : IQAC and Career Progression Team

Time : 10.00 a.m. to 12.30 p.m.

Total number of participants: 147

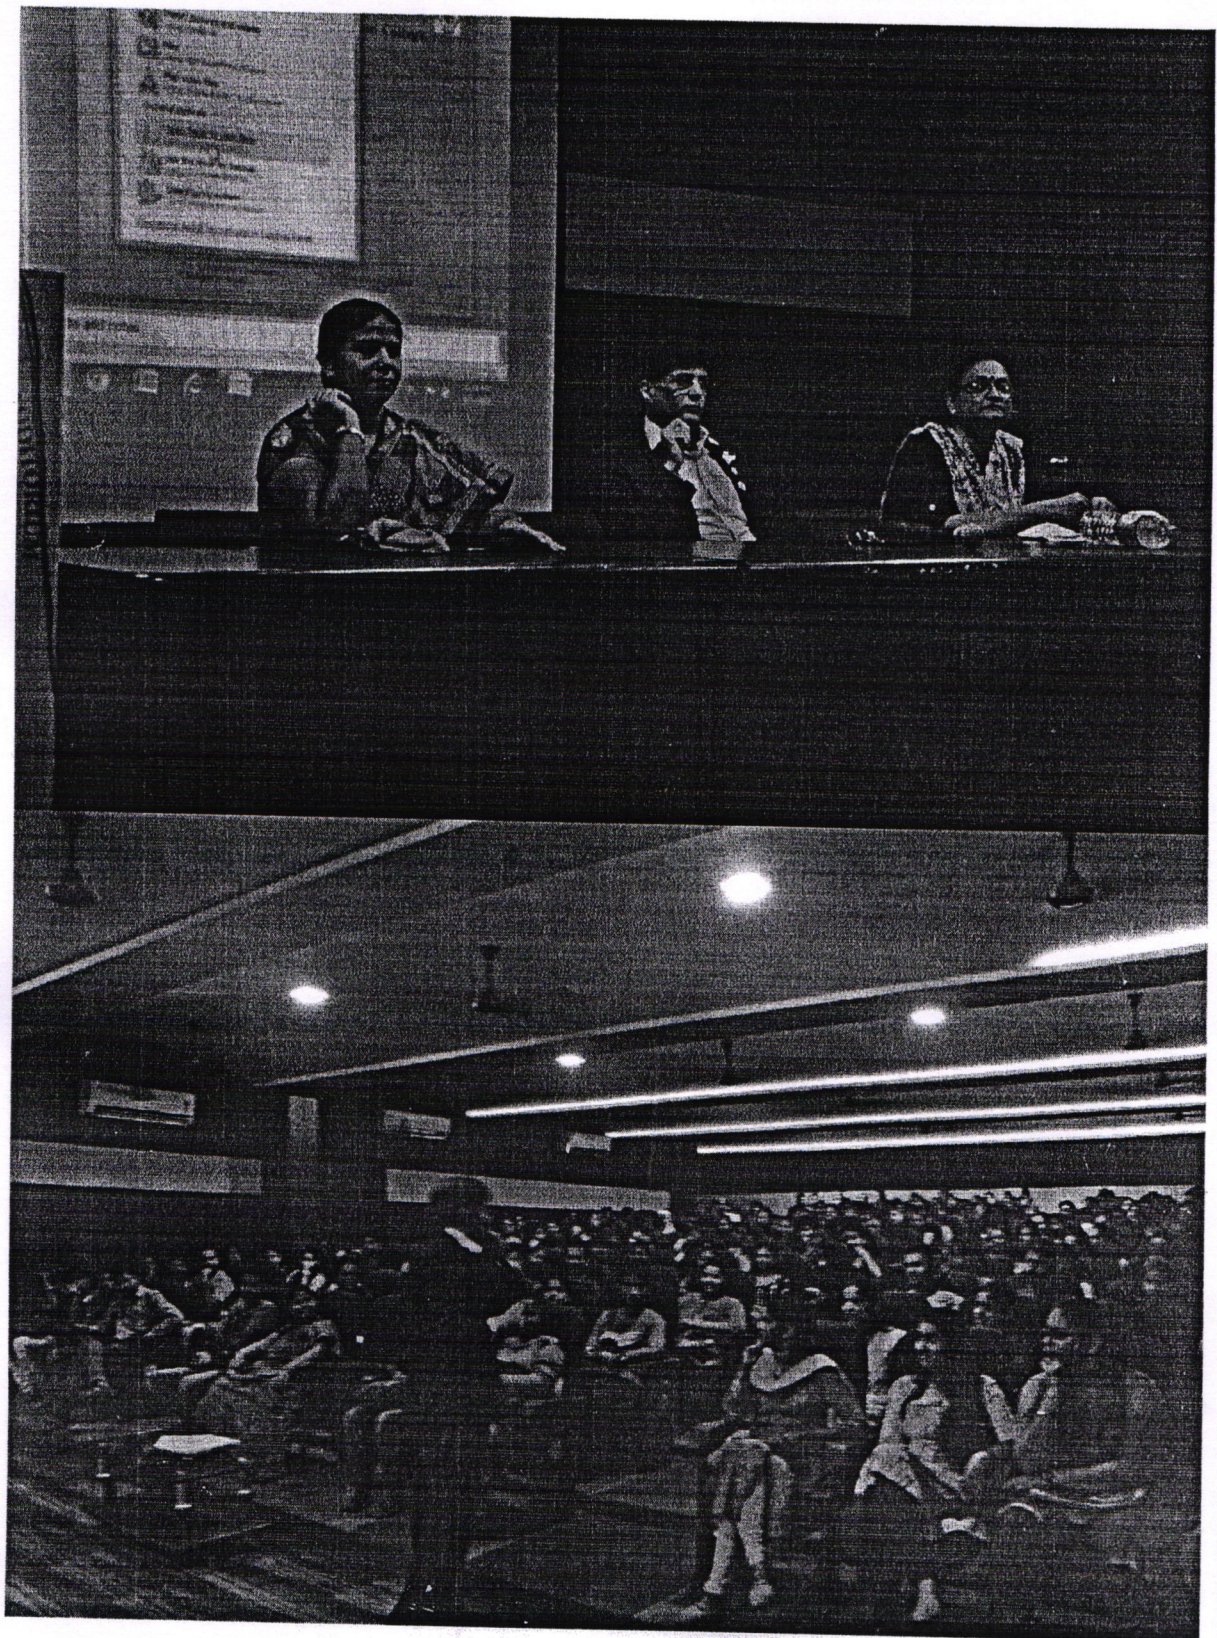

Dr. Neena Anand, Vice Principal, Smt. CHM College gave introductory speech and Dr. Jayashree Panicker, Chairperson of CPT committee introduced Chief Guest of the programme Mr. Rajiv Diwan. Mr. Rajiv Diwan talked about various jobs which are available for various fields like Chemistry, Botany, Zoology after graduation. He also stressed on quality control and quality assurance work going in the industries. He discussed upon the various stages like apprenticeship, trainee, probation period, confirmation as per performance that the employee has to go through. He also explained the hierarchy of different post in the industries. He said sampling and analysis is the main work which could be given to B. Sc. Students. Zoology students can work in wildlife sanctuaries, fisheries industries and laboratories. Botany students can work in the fields of Ayurveda where medicinal plants has to be identified. The microbiology students can work in pathology lab as well as microbiology research department and develop some useful microbes. Chemistry students have job opportunities in pharmaceutical industries, oil and natural gas industries, polymer industries etc. Students can approach in Tata Institute of fundamental research and Indian Institute of science to get advance course in instrumentation. He also told about the qualities like precision in work, accuracy, team work, focus on assignment, politeness, positive attitude which an employee should develop.

Overall response was very good. Vote of thanks was followed by refreshments of tea and biscuits for the students.

J.P. Panicker
