Arohan – PPT and Poster competition

The DLLE unit of Smt. CHM college conducted Arohan 20-21 – PowerPoint and poster presentation competition under the project PEC (Population Education Club) on 25th January 2021. The students were divided into different groups and topics based on various social issues were allotted to them. Students prepared and presented ppt and posters on the various topics. All the presentations were evaluated by Dr. Lakshmi Girish and Dr. Bharti Valechha, extension Work Teachers. First, second and third prizes were announced at the end of the event and cash prize of 100/- were given to the winners of the competition. To create awareness and sensitize the students towards socio cultural realities, To prepare students for a greater social commitment, To develop self-confidence, to learn team work, time management etc, To provide a platform to express their talents of skill. Through the ppt presentations students developed confidence and sense of team work and awareness towards various issues in the society. This will develop a sense of responsibility towards the society and as a citizen of India students will be able to contribute their best to the benefit and upliftment of the society. Through the poster presentation various common social issues could be presented which also created awareness about the various prevailing social issues among the youth. The students were highly motivated and inspired of delivering the presentation and display of posters. The activity has developed overall personality of student by enhancing their communication skills, critical thinking and creativity through participating in competitions. 114 students along with student managers participated in the activity.

Skill enhancement through sharing of video on mask stitching

DLLE in association with Social Outreach Committee took initiative for sharing of content related to stitching skills online through simple videos to the ladies from the adopted Vasat village, Ambernath. One student from DLLE Ms Aastha Naik (FYBScCMiB) prepared simple videos showing different steps of mask making and blouse stitching. The videos were then sent to the Village sarpanch who then provided the videos to the village ladies. The video helped the ladies to understand the various steps of stitching of mask. To supplement the knowledge of stitching skills among the tribal ladies of Vasat village (who were given basic skills in stitching by social outreach and DLLE committee of the college) for the enhancement and employability. The ladies of the village were familiarized with the different steps stitching styles and techniques which helped them to plan and design different styles of masks. Sharing of such videos will help them to become self-reliant and further raise the economic opportunities available, with minimum access to formal education and training. The following teachers were involved in the activity – Dr. Lakshmi Girish, Dr. Bharti Vaitechha, Dr. Yogini Bombardekar
