

## Report on Internship – Bunty Foods India Pvt. Ltd, Ambernath

**Period of Internship: 1 Month (3<sup>rd</sup> May, 2019 to 31<sup>st</sup> May, 2019)**

Our economy changes daily, and with it, the talents, skills, and experience needed to be a part of that growth cycle change with it. The job market is competitive, and it can be a tough learning curve for recent graduates. Applied learning and internship opportunities are becoming a key part of the college experience for all students to meet the demand. The most important element of internships is the integration of classroom knowledge and theory with practical application and skills. Student interns gain this experience in either professional or community settings. Internships also have the added benefit of professional recommendations, resume-worthy experience, and networking opportunities.

In the academic year 2018-19, twelve students of TYBMS successfully completed their internship with Bunty Foods India Private Limited. They were designated as “Management Trainee”. List of these students is as follows:
