Collaboration and Linkages Policy

To make collaborative endeavors impactful the linkages and collaboration policy has been laid down. This Policy document will serve as guidelines for decision-making on the collaboration.

Policy Statement:

For a long-term association to conduct certificate courses, seminars, conferences and workshops, training programs, and research projects MOU is to be signed between partnering institutions mentioning all terms and conditions.

For small research projects/field trips/on the job training/project work, linkages and collaboration are to be established between department/institute with a formal written collaborative agreement signed by the Head of the institution and Head/Chairpersons of various bodies who are involved in the collaboration with formal approval by the IQAC

Policy Objectives:

- To promote collaboration/linkages with institutions of excellence and repute for research/ faculty exchange/ student exchange/ internship/field trip/ on-the-job training/ project work/extension activities
- To share expertise, conducting seminars, conferences and workshops, and training programs to achieve a common goal

Procedure:

Smt. CHM shall consider developing Linkages/collaborative arrangements with recognized institutions. Proposals and procedures for collaborative engagement will include:

- Identification and assessment of needs and rationale for collaboration
- Appropriate investigations of the proposed collaborating organization/institution
- Maintaining records of such investigations for reference and audit purposes
- Submission of report to IQAC after completion as per the requirement
