- Department of Mathematics, Smt. CHM College had organized alumni talk titled “KAIZEN: I.T Via Mathematics” on Saturday, 17th December, 2016. An illustrious Alumnus of the Mathematics Department, Ms. Deepa Raheja Shreevastav presented a talk to audience. Around 90 students and teachers of the department attended the programme. The talk was held in room number 317 from 1:00pm to 2:00pm.

There is always some amount of curiosity amongst the young minds about the practical applications of Mathematics, especially in the ever growing field of computer and information technology. At the same time there is a little concern regarding how a degree in pure Mathematics would help the youngsters in their career! The said programme was arranged helping in mind this very curiosity and concern of the “Would be Math graduates”

The speaker Ms. Deepa Raheja Shreevastav, in her talk, targeted both of these crucial points. She explained how the basic education in Math helps her build a good career in the I.T. field. The talk was supported by a powerpoint presentation.

- The talk was followed by a question-Answer round.

- **Department of History:**
