

Students Forum/Council 2018-19

Keeping in mind overall development of management, leadership and environmental awareness among students several activities were conducted by the students of Students Forum. Cleanliness drive was one such activity in which 17 students participated. The students helped in collecting dry waste of botanical garden, fore ground and main ground. The drive was conducted on 10th Dec 2018 from 10 am to 1pm. Students from the forum helped in Smooth conduct of Chandi Utsav. They assisted in work like collection of entries, maintenance of records, arrangements for certificates and conductions of different activities during the annual fest. The students also helped in smooth organization of Independence and Republic Day. They helped in maintaining decorum during the program. With a part of social welfare students assisted in conduct of Blood donation camp organized by NSS. They assisted by maintaining discipline and decorum during the program. Another important program planned on behalf of Students Forum was no Vehicle day but could not be executed due to unavoidable reasons.
