

Students Forum 2019-20

For the academic year 2019-20, Student council formation circular was received from University of Mumbai. The circular invited the Principal mam for a meeting at University of Mumbai, Fort, for detailed guidelines regarding the conduct of elections. As per the guidelines Principal mam formulated committee for conduction of Students Council elections. The committee was headed by Principal mam and in-charge Dr Nitin Arekar. Several meetings concerning planning and management of elections were carried out. Nominations Forms for students in this regard were created and displayed on notice board. Dates and schedule for election was finalized. However, a revised circular was received which mentioned to postpone the elections till further notice form the concerning body. Hence the process for the same was halted.

However, keeping in mind overall development of management, leadership and environmental awareness among students several activities were conducted by the students of Students Forum. The students played an active role in assisting in admission work of the college. A help desk was established during the admission procedure tenure. The students helped enquirer (wards and parents) regarding the admission process and conduct. Keeping in mind, development of management and leadership skills Students were encouraged to participate in organization of different events in college. The forum helped in organization of Chandi Utsav College Annual Fest. Students assisted in work like collection of entries, maintenance of records, arrangements for certificates and conductions of different activities during this annual fest. The students also helped in organization of Independence and Republic Day. They assisted by maintaining discipline and decorum during the program. Students also assisted in smooth conduct of career guidance program in association with Zoology department.
