I] **TITLE**: MSI Student's linkage and lecture by alumni on Short term job oriented courses to bridge the gap between academics and industry.

II] **CONDUCTED BY**: Department of Microbiology of Smt. Chandibai Himathmal Mansukhani College.

III] **CONTENT**: a) Place, date, time of event:

An online program, conducted on Google meet platform on Tuesday 30<sup>th</sup> March 2021 from 4:00-6.15 pm

Name of guests- Dr.A.N.Deshmukh , Mr. Sanjeev Patankar.

Name of Alumni (Resource person) : Dr. Chandra Babu.

b) Details of activity-The program was anchored by Mr.Darshan Lobhi. On the behalf of HSNC board and Microbiology department of Smt. CHM College he welcomed all the chief guests and resource persons. The event was started by Saraswati vandana. Dr. Bela Nabar introduced our Microbiology department, their vision and mission, about facilities, strengths and opportunities for the department. She expressed her gratitude towards Principal Dr. Manju Lalwani Pathak madam and the Vice Principal Shashibal Pandey sir. Due to in quarantined, Principal madam could not attend this program. Dr.Shashibal Pandey and Dr. Neena Anand, the co ordinator of that program both greeted good wishes to Microbiology Department. The Chief guest Dr. A. N. Deshmukh was introduced by Dr. Renu Jaisinghani. He encouraged students to attend this talk. Ms. Rasika Pawar introduced another chief guest Mr. Sanjeev Patankar along with his achievements. He congratulated the HOD and the whole department for completing 50 years and gave a brief introduction about Microbiology Society of India (MSI). Following this, the resource person Dr. Chandra Babu was introduced by Dr. Pranali Kale and

  
IQAC Coordinator

lak

then he delivered his talk with the help of PPT. At the end of ppt , he also shared success stories of some students. The Q and A session was hosted by Mrs. Pranali Kale and the vote of thanks was proposed by Dr. Sandhya Mulchandani. For the entire event the technical help was assisted by Msc students Mr. Darshan Lobhi and Mr. Pratik Kale.

c) Number of participants- About 133 participants, including the students, teachers, committee members were present throughout the session. Students gave their feedback at the end of program via feedback link.

#### **IV] OBSERVATIONS:**

a) Of reporter-A multimedia presentation was given by Dr. Chandra Babu about how students can bridge the gap between academics and industry. He briefly introduced the topics to be covered in the session and explained the concept of "Learn, Unlearn and Relearn". He made aware the students about how Industrial Revolutions shifted job opportunities and how it will affect them as future employee. He explained the role of Artificial Intelligence (AI) in Rapid Microbiology i.e making automated microbiology labs using AI techniques. Along with this he also covered the following points: Making students job ready, guiding about do's and don'ts for an interview, writing a CV and short term courses. At the end of the session, he encouraged the students by telling success stories of some students. Also he answered all the questions that students asked. Through this session the students were able to develop the right vision about their career and the unknown opportunities prevailing in the industrial sector. They were also made aware about the traditional instructions ad

  
IQAC Coordinator

lak

competency based instructions and how the self pacing courses can also help them to build a strong career within a short span of time.

- b) Of Participants- Students and teachers asked their doubts in the comment section which were enthusiastically answered by Dr. Chandra Babu. 000 students filled the feedback form. From their feedback, it was seen they were happy and satisfied with the session and gained a lot of guidance along with information about opportunities in industrial sector through short term courses.

V] CONCLUSION: a) Name and designation of the person delivering the vote of thanks – Mrs. Sandhya Mulchandani.

b) Contents of Vote of thanks- Mrs. Sandhya Mulchandani expressed heartfelt thankfulness to the speaker for his enlightening talk, the management, respected Principal Dr. Manju Lalwani Pathak and Vice principal Mr. Shashibal Pandey for encouragement and guidance to conduct the program. She thanked the guests the HOD of Microbiology department of Smt. CHM College Dr. Bela Nabar for the guidance and support throughout the planning and execution of the program. Finally she expressed gratitude to the teachers including Mrs. Pranali Kale, Mrs. Renu Jaisinghani, Mr. Ashish Jain, Mr. Nitin Patil as well as all other participants who attended the program and making it a successful event.

Further the webinar ended at around 6: 15 pm in the evening.

Vatscorp India Private Limited is one of Mumbai's leading and reputed BPO. The organization caters to inbound and outbound processes of its domestic and international clients. The Organization has its offices located in Mumbai and Dubai.

Career Progression Team (CPT) of Smt. CHM College had made a collaboration with Vatscorp India Private Limited in April, 2021 for seeking internship opportunities for students in the domain of Human Resources. Director of the organization, Mr. Vinay Pandey was instrumental in making this collaboration successful.

A list of almost 20 interested students was sent to the organization for final selection. After the scrutiny of applications, an interview round was conducted by the organization and four students were finally selected for the role of "HR Intern". The details of these selected students are as follows :

Sr. No.	Name	Date of Joining	Designation
1	Safia Altrin Fernandez	28-Apr-21	HR-Intern
2	Jagruti Sunil Kasare	28-Apr-21	HR-Intern
3	Apeksha Singh	28-Apr-21	HR-Intern
4	Carol Michael Khandagale	28-Apr-21	HR-Intern

The collaboration in form of internship for the students was a great learning opportunity for the students who completed this on job training.

Dr. Sunil Lalchandani  
Chairperson, CPT

**Report on Internship – Bunt Foods India Pvt. Ltd, Ambernath****Period of Internship: 1 Month****(Batch1: 2<sup>nd</sup> Jan, 2021 to 31<sup>st</sup> Jan, 2021 and Batch 2: 1<sup>st</sup> June 2021 to 30<sup>th</sup> June 2021)**

Our economy is changing day by day, and as a result, we have the talent, skills and experience we need to be part of this growth cycle. The employment market is highly competitive and can be a tough learning curve for young graduates. Internships play an important role in shaping career. It develops the skills needed to gain real exposure to the work environment and also stand out in the saturated employment market as a work environment expert, time management, organization, adaptability, problem solving, teamwork.

In this academic year two batches of students of TYBMS successfully completed their internship with Bunt Foods India Private Limited. First batch comprised of ten students who completed their internship from 2<sup>nd</sup> Jan 2021 to 31<sup>st</sup> Jan 2021 and Second Batch comprised of Nine Students who completed their internship from 1<sup>st</sup> June 2021 to 31<sup>st</sup> June 2021. They were designated as "Management Trainee". List of these students is as follows:

**Batch1**

Sr. No.	Name of the Student
1	Aswani Barkhadevi
2	Ajwani Aadesh
3	Lilani Kiran
4	Jagnani Amrita
5	Parwani Harsha
6	Adhangle Snehal
7	Viraj C
8	Unawane Rohan
9	Lulla Riya
10	Basantani Simran

**Batch 2**

Sr. No.	Name of the Student
1	Nagpal Dirshti
2	Nair Sandesh
3	Prithiani Sumeet
4	Wadhwa Kiran
5	Dulani Sameer
6	Hinduja Shikha
7	Jaisinghani Dimple
8	Karelia Viraj
9	Sahil Sawant

During the internship, students gained hands-on experience of classroom learning. All interns were able to acquire a wide range of knowledge in the fields of finance, marketing, human resources and production.

**Report on Internship – Bunty Foods India Pvt. Ltd, Ambernath****Period of Internship: 1 Month (3<sup>rd</sup> May, 2019 to 31<sup>st</sup> May, 2019)**

Our economy changes daily, and with it, the talents, skills, and experience needed to be a part of that growth cycle change with it. The job market is competitive, and it can be a tough learning curve for recent graduates. Applied learning and internship opportunities are becoming a key part of the college experience for all students to meet the demand. The most important element of internships is the integration of classroom knowledge and theory with practical application and skills. Student interns gain this experience in either professional or community settings. Internships also have the added benefit of professional recommendations, resume-worthy experience, and networking opportunities.

In the academic year 2018-19, twelve students of TYBMS successfully completed their internship with Bunty Foods India Private Limited. They were designated as “Management Trainee”. List of these students is as follows:

Sr. No.	Name of the Student
1	Ailani Tamana
2	Chatwani Anshu
3	Jethnani Sagar
4	Batriya Vijay
5	Nembhwani Varun
6	Ahuja Mohit
7	Talreja Tina
8	Madnani Muskan
9	Hotwani Hitesh
10	Tejani Laika
11	Sawani Ankita
12	Lakhwani Dimple

Students were able to get the practical exposure of their classroom learning during their period of internship. All the interns were able to acquire a broad knowledge on the functions of Finance, Marketing, HR and Production.

**Report on Internship – Bunty Foods India Pvt. Ltd, Ambernath****Period of Internship: 1 Month (2<sup>nd</sup> May, 2018 to 31<sup>st</sup> May, 2018)**

Internships play a crucial role in shaping one's career. It helps to gain real exposure to working environments and also develop the necessary skills required to stand out in a saturated job market. It not only provides with the technical knowledge within the industry of their choice, but they also learn how to interact with professionals in a workplace setting, and develop essential soft skills like time management, organization, adaptability, problem-solving and teamwork.

In the academic year 2017-18, ten students of TYBMS successfully completed their internship with Bunty Foods India Private Limited. They were designated as "Management Trainee". List of these students is as follows:

Sr. No.	Name of the Student
1	Priyal Khanchandani
2	Hitasha Kukreja
3	Khushboo Gajwani
4	Chirag Chapru
5	Pankaj Wadhwani
6	Neelam Harchandani
7	Manisha Harchandani
8	Pooja Maghnani
9	Bhaves Hiranandani
10	Motiramani Vinita

All the interns were able to accomplish a wide-ranging knowledge on the roles of Finance, Marketing, HR and Production. Students were in a position to get the hands-on exposure of their classroom teaching during their period of internship.

 (Head of Department)

**Report on Internship – Bunty Foods India Pvt. Ltd, Ambernath****Period of Internship: 1 Month (5<sup>th</sup> May, 2017 to 31<sup>st</sup> May, 2017)**

With the growing and the dynamic market, Internships have become the Need of an Hour. Immersive internships in the field of study are essential to successful outcomes. Classroom environment involves with discussion, debate, peer interaction, and shared learning experiences, but it's important to seek opportunities to apply and develop the academic concepts learnt in a professional setting as well. An internship is a professional learning experience that offers meaningful, practical work related to a student's field of study or career interest. An internship also provides opportunity for career exploration and development, and learning new skills.

In the academic year 2016-17, twelve students of TYBMS successfully completed their internship with Bunty Foods India Private Limited. They were designated as "Management Trainee". List of these students is as follows:

Sr. No.	Name of the Student
1	Manish Teckchandani
2	Mohit Lulla
3	Sapna Khubchandani
4	Aashish Shahjadpuri
5	Gurbani Sunny
6	Pooja Chandnani
7	Girish sharma
8	Pankaj Maghtani
9	Yashoda Chawla
10	Wadhwa Pooja
11	Haryani Roshni
12	Panjwani Neha

Students were able to get the hands-on revelation of their classroom education during their period of internship. All the interns were able to attain an extensive knowledge on the functions of Finance, Marketing, HR and Production.
