From the Desk of the Principal

DR. MANJU LALWANI PATHAK

I take immense pleasure in coming out with the current issue of the e-magazine at a point in time when we are looking forward to an online mode of communication and knowledge sharing. In this journey, I am deeply grateful to the Management for their incessant support and constant source of encouragement at every stage. I extol the efforts of Staff Members for initiating a host of co-curricular activities for students with untiring efforts during the lockdown.

I must express that the magazine is our adaptability to the changing scenario of hybrid teaching and learning system. This magazine shall reach all stakeholders by offering an online edition as well. The efforts of the college in providing you with this magazine will surely keep you engaged throughout your virtual reading experience. Kudos to our very own dynamic team of CHM! Happy Reading!

MINORITY RIGHTS DAY

18th December, 2020

India is a country of unity in diversity. Minorities Rights Day is observed in India every year on December 18. The day is important as it helps us understand the issues facing minorities in India and create awareness about their rights. Our college received an above-mentioned letter from the Directorate of Higher Education Maharashtra, for organizing a webinar on Minority Rights Day. In response to the above GR and letter from the Directorate of higher education, Maharashtra, an online Webinar on the Zoom platform was organized on 18th December 2020 between 4:30 pm to 6:00 pm, with the permission and support of honourable Principal Smt. CHM College, Dr. Manju Lalwani Pathak. Resource Person Prof. Shahid Zakauallah, Associate Professor and Head, Department of Political Science Maharashtra College Mumbai, was invited to deliver via online mode talk on the topic “Awareness about Constitutional Rights of Minorities in India”. Students and teachers from different departments in Smt. CHM College participated in the program.

The following information disseminated in the webinar covered the following areas: Every nation in the world has its share of minorities, be it linguistic, cultural, or ethnic. Preserving and protecting their rights is a challenge for almost all governments. This day helps us in having a better understanding of the issues of minorities and their safety concerns. The Constitution of India guarantees equal rights for all its citizens including safeguarding the rights of people from religious, linguistic, and ethnic minorities. The Resource Person emphasized the following constitutional provisions for minorities.

- “Prohibition of discrimination against citizens on grounds of religion, race, caste, sex or place of birth”
- “Citizens' right to 'equality of opportunity in employment and prohibition of discrimination on grounds of religion, race, caste, sex or place of birth”
- “People's freedom of conscience and right to freely profess, practice and propagate religion - subject to public order, morality and other Fundamental Rights”
- “Right of all religious and linguistic minorities to establish and administer educational institutions of their choice”
- “Freedom of minority-managed educational institutions from discrimination in the matter of receiving aid from the State”

At the end of the lecture, the resource person answered the questions raised by participants.

CHANDI UTSAV

1st – 2nd April, 2021

Chandi Utsav is an annual fest of the college held up every year to bring all the students under one platform, and create the experience of joy and ecstasy with much fervour and zeal. It is the most awaited event as this is the time for students to get relieved from regular studies and lectures and participate enthusiastically in various competitions held under one banner. However, looking at the pandemic, it was a bit difficult to bring all the students together for such a massive celebration. But the spirit of organising could even overcome the challenges of the global pandemic scenario and in the history of our institution, for the first time, such a prestigious event was organised successfully in an online mode.

Inauguration: Program began with the Inauguration function on 1st April at 11:00 am. Live streaming was done on Youtube. The Inauguration function was hosted by Dr. Nitin Arekar, Coordinator Chandi Utsav, and was presided over by our Principal Madam Dr. Manju Lalwani Pathak. The Chief Guest for the Inaugural program was Padmashree Shankar Mahadevan and the Guest of Honour was Mr. Karthik Iyer, Alumni and Bollywood Director. Dr. Manju Lalwani Pathak welcomed all the guests and congratulated students and staff for such astonishing arrangements for the event.

Shankar Mahadevan spoke on how cultural fests like Chandi Utsav are imperative to any institution as they bring the students closer and the spirit of oneness can be observed. He also sang Ganpati Vandana and made the whole environment pious. Karthik Iyer encouraged the students and shared his own experiences of participation in college events which made him what he is today. Shankar Mahadevanji declared Chandi Utsav open and a Vote of thanks was proposed by Dr. Sunil Lalchandani, Co-Coordinator, of Chandi Utsav.

Valedictory: The Valedictory was held on 2nd April, 2021. The events were organised as Chief Guest for the Valedictory program was Ms. Neha Bhatia, Alumni and Multiple Beauty Contests Winner and Choreographer. The valedictory program was anchored by Dr. Sunil Lalchandani, Co-Coordinator, Chandi Utsav. The welcome address was given by Dr. Pratima Das, Vice Principal. Ms. Neha Gurdasani, a Member of, the Chandi Utsav Committee introduced the Chief Guest. Chief Guest - Ms. Neha Bhatia presented her views on the college fest and congratulated all the participants for enthusiastically participating in all the events. She motivated the crowd by sharing her winning experiences on international platforms. The report of Chandi

Utsav, including all the events, was read by Ms. Prachiti Garud. Names of Winners were announced by a small Video Presentation. The whole show was a grand success with the full support of various committees of students, teachers, and non-teaching staff. Organizing, Planning, and Scheduling various activities from different arenas was itself a big achievement for the organizers. Summing up, the whole event served as a platform for the students to display their talents and develop the skills required to conceptualize, organize and manage a festival of this magnitude.

DEPARTMENT OF ECONOMICS AND BUSINESS ECONOMICS

The Indian economy is one of the most advanced in Asia, driven by collaborative social investment, a relatively developed impact investing market, and an engaged corporate sector. Following liberal economic reforms in the 1990s, India is now one of the fastest-growing economies in the world. The country's economic growth has been driven by the services sector, which has been consistently growing and accounted for 49% of GDP in recent years. After substantive reforms to improve its business environment, India is now ranked in the top 100 countries on the World Bank's Ease of Doing Business Index. Despite impressive economic growth, India continues to face significant development challenges. Poverty alleviation and equitable access to basic social services including education and health care remain at the forefront of national socio-economic discussions. India's sustainable development will be dependent on the country's ability to maintain economic growth while addressing the challenges of these emerging issues.

Department of Economics and Business Economics organized National Conference on "Emerging Issues in Socio-Economic Development: Indian Perspective" on 7th March, 2020. The conference provided a platform for academicians, industry experts, entrepreneurs, and students to discuss emerging issues in the socio-economic development of India.

DEPARTMENT OF ZOOLOGY

One-day Workshop (CUBE) on “Use of Simple Model Animals in Undergraduate Biology Education”: Smt. C.H. M. College in collaboration with Homi Bhabha Centre for Science Education organized a CUBE workshop on “Use of Simple Model Animals in Undergraduate Biology Education” on 31st May, 2021, for Zoology students of various colleges of Mumbai University. This workshop was a follow-up to an earlier workshop conducted at HBCSE during the Diwali vacation in 2019 and a training course conducted by HBCSE for undergraduate students. Many students from our college and other colleges participated in the training course. These students are now available as resource persons to train others in the college. This workshop was aimed at developing collaboration among and providing hands-on experience to the college students by using a simple model animal to design elegant experiments in undergraduate-level biology. Department of Zoology, Smt. C.H.M. College conducted the workshop. A total of 37 participants attended the workshop. Due to a lack of hands-on training could not be provided this year.

The workshop was inaugurated by Ms. Seema P Ajbani, HOD of Zoology. Key Note speech was delivered by Dr. M C Arunan, Scientist, HBCSE Mumbai. He delivered a scintillating lecture on how to make a home laboratory and do cutting-edge research during the Covid time. A team of resource persons made a presentation on the following topics - Mr. Suyash Sawale (*Drosophila* as a model organism), Miss. Veena Dongare (*Moina* as Model organism), Mr. Vind Tiwari (Rat and Mouse as Model organisms). All the resource persons are Ph.D. students of Smt CHM College. They elegantly presented the potential ability of these model organisms in various areas of research. Feedback was collected from the participants after the workshop. Participants were also advised to join CUBE on regular basis for updating the work they will be doing with the simple model organisms in their home lab.

One-day Workshop on peer review of TYBSc Zoology Sem VI textbooks”: This year's peer review of the textbooks published by BOS in Zoology, Mumbai University was conducted on 22nd January, 2021. Like the previous year, we coordinated a peer review of 06 textbooks of TY BSc Zoology Sem VI. Board of Studies in Zoology and the honourable Principal of Smt CHM College, generously permitted us to organize an online peer review workshop. All the College teachers were informed and invited on what's app and email. As the program was online mode, no financial assistance was required. Good peer review improves the quality of books and thus maintains high publishing standards. With this in mind, the Board of Studies on Zoology, every year conducts multiple peer reviews for newly published books and at least one peer review for the revised editions of the textbooks of Zoology. The present workshop was organised to critically review four textbooks of Zoology for 06 textbooks of Zoology for T Y B Sc Sem VI. Textbooks were peer-reviewed by the participants. Corrections and suggestions given by the reviewers shall be incorporated in the next edition of textbooks that will be published in December-January of the current academic year.

Alumni Interaction Session: A What's app group of Alumni of the department was created last year and many Alumni were added to the group. HOD Ms. Seema P Ajbani was in conversation with Alumni through the What's app group. In the departmental meeting, it was planned that the department will arrange an interaction session of alumni with the current year students. This decision of the department was communicated to Alumni on WhatsApp and a

suitable date and time were decided to organize an interaction session. All the alumni, students, and teachers joined the interaction session via google meet video conferencing on 28th May, 2021. The session was facilitated by the intervention of Dr. Shashibhal Pandey.

Various suggestions and support from the alumni were obtained. Veena Dongare and Vind Kumar proposed to help the students by delivering a lecture on the model organism. The proposal was accepted by HOD and it was planned to organize their lecture for students on 31-05-2021. Mr. Ashok Soyanka, (1999 Batch) a google certified cloud practitioner informed us about his reason for his decision to work in cloud technology and assure the department of his support by delivering a lecture for our students on cloud technology. The proposal was also accepted by HOD and a lecture by Mr. Soyanka was planned to be conducted in the next two to four days. Mr. Hemant Karkhanis, (1999 Batch) Mangrove Project Manager at Godrej Vikroli offered that after the Post-Covid Unlock of the city, he can engage some students in Mangrove Forest conservation work and assist in signing MOU between Godrej and our Department such that our students can carry out small scale research work in Godrej Mangrove Forest. Mr. Kaydone Anthony associated with Green line NGO proposed to support our students in getting an internship with NGOs working in the field of forest conservation. The proposal was accepted by HOD and assured that from the coming year batch we will utilize this offer for our students interested to work in the area of forest conservation. Mr., Umashankar Mishra (2005 Batch) and Mr. Kailash Vaswani (1999 Batch) suggested that the department should motivate and acquaint the students with scholarship opportunities available in India and abroad after UG and PG in their subject area. This should be long-term planning to ensure that after 5 years we should be able to invite interaction, our alumni work / studying abroad. HOD Ms. Seema Ajbani Informed us that one of our alumni is selected for a Ph.D. program abroad. Her name is Priyanka Sigar. It was further suggested by these alumni to create a portal or platform where alumni can mentor the students in different areas as per their expertise. It was accepted and Department will work to materialize such a portal. The students also raised questions to alumni about their experience and the scope of various fields in which alumni were working. The meeting ended with a vote of thanks proposed by Dr. Shashibhal Pandey

SY to TYBSc Bridge course: Department of Zoology conducted via online mode a bridge course for the students passing SY BSc and seeking admission to TY BSc with Zoology as a major. The objective of the course was to bridge the gap between subjects of Zoology studied in Second-year class and subjects they would be studying in Third-year class (graduation) in Zoology and to provide an adequate foundation in the core Zoology so that the learners do not face any difficulty when the regular classes commence.

DEPARTMENT OF MANAGEMENT STUDIES (B.M.S.)

BOOT CAMP on "Business Plan and Business Model Canvas": Understanding and writing Business Plan and Business Model Canvas is one of the essential requirements for any start-up. It acts as a fundamental consideration for any individual to start his entrepreneurial journey. It gives budding entrepreneurs an insight into their venture. To create and disseminate knowledge on Business Plan and Model Canvas, a boot camp was organized by CHM Incubation Centre in association with the Department of Management Studies on 13th February, 2020 in THM Auditorium. The auditorium was occupied by 103 participants from different programs including B. Com, B.Sc., BA, BMS, BBI, BFM, BAF, BMMS, and B.Sc. Biotech. The objectives of the program were to discuss with learners the concept of “Idea Generation”, to provide hands-on knowledge to the learners about writing a “Business Plan”, and to train the participants on drafting “Business Model Canvas”.

Dr. Rakhi Sharma, Head of the Management Studies Department and Convener of the Entrepreneurship Cell and Skill Hub at Jai Hind College, Churchgate, Mumbai was the resource person. The session was divided into three phases. The first phase “Idea Generation” was discussed at greater length by the resource person. The second phase aimed to make the learners understand drafting a business plan that can act as a blueprint to present the idea of the venture by a prospective entrepreneur in a nutshell. The third phase aimed at making the participants learn about the Business Model Canvas. The purpose of this one-day boot camp was highly served as the same was very much outcome-oriented. It added to the knowledge base of the learners and it acted as one of the ways to create business acumen among the young trailblazers.

BOOT Camp on “Entrepreneur Thinking”: CHM Incubation Centre and Department of Management Studies in collaboration with the ICME Business School, Mumbai, organised a “BOOT Camp on Entrepreneur Thinking” on 24th February, 2021. Mr. Ameya Ambulkar, Serial Entrepreneur & Faculty, at ISME, was the resource person.

Parlance: Parlance is the platform for the students of BMS@CHM to nurture and develop their managerial skills. The students of SYBMS guided by Dr. Sunil Lalchandani (HOD, BMS) and other faculty members successfully organized the annual fest for the students of FYBMS. As a part of the student leadership initiative, every year the program is organized by the students’ team from SYBMS under the mentorship of students from TYBMS. A one-day event on 27th January, 2020 was organized with lots of fun and frolic activities. The event was fun-filled with all brainstorming activities. The fest had given a chance for the management students to exhibit their extracurricular activities in terms of both management and entertainment. Such events help in the overall development of students in various domains. The whole day high-spirited fest had activities ranging from Quizzes and skits to Treasure hunts. In most of the activities, an overwhelming response from students was received. There were 10 groups comprising 12 members each. The

participants and the audience appreciated the event with full zeal. The fest was marked with the presence of 120 students from FYBMS 35 students constituting the organizing team from SYBMS and 10 students' mentors from TYBMS. To honour and appreciate the students 'Prize Distribution ceremony was organized at the end of the day. Prizes were handed over to all the winners. The success of this event had the students craving for a well-deserved next break.

LIBRARY

Library Committee and IQAC organized the National Online Seminar on "Research Support Tools And Open Educational Resources for students And Faculty" on 29th July, 2020. Mr. Sandeep Pathak, Dy. Librarian, IISER, Bhopal, was the resource person.

An online Seminar on "Research support tools and open educational resources for students and faculty" was organized by the IQAC cell & library committee of Smt.CHM College. 151 participants attended the program. It was held on 29th July, 2020 on the Webex Platform. The program started at 4.30 pm. It was hosted by Prof. Pooja Rajani and the program started with the national anthem sung by Miss. Prapti Dahivalikar. Opening remarks were given by Dr.Pratima Das IQAC Coordinator of the CHM College. Madam told that IQAC is committed to providing quality research to all students, teachers, etc. and that is why the library committee and IQAC felt the need to conduct this session.

Dr.Manju Lalwani Pathak proposed the welcome address to all participants who have participated in the online seminar on research support tools organized by IQAC and the library committee. Principal madam told that uploading new skills and expertise in research is becoming necessary for researchers. Madam also told that it is easy to access but how to access we will be going to learn in today's program.

Dr.Lali Rajan introduced the chief guest, Dr. Sandeep Pathak. Dr. Sandeep Pathak started the session with "Teaching and research never stops." Dr.Sandeep Pathak told that objective of the session is to spread more awareness about research and also understand the landscape of Scholarly Publishing Preprints. Sir also focused on how to organize the research tools and manage research tools. Sir also told me that if any faculty member wants to write a book, first of all, he should write the first article and then go for writing the book. Sir also spoke about Shodhganga- It is the Reservoir of the thesis. The researcher then submits the thesis, which is uploaded on Shodhganga and it is compulsory to follow UGC guidelines that the thesis should have less than 10% of similarity i.e. plagiarism. The resource person also focused on publishing models: The traditional model and the open access model. Sir also gave information about the URKUND STATISTIC & ADMINISTRATION TOOL.

The question & Answer session was nicely handled by Dr. Chandrasheel Tambe and the session was summed up by Dr.Deepa Mishra by saying that this program has come at the right time when we don't visit the library but we can use library resources online.

Dr.Nitin Arekar, Chairperson of the library committee proposed the vote of thanks by adding nice lines that the session was full of grand knowledge and today's resource person Dr.Sandeep Pathak shared his knowledge with us. A total of 174 participants registered their feedback and online certificates were presented to them. Mr. Agi Thomas, Dr. Ashish Jain, Dr.

Sandip Garg, and Dr. Reshma Kukreja carried out the responsibility of flyers, publicity, certificates, and feedback. Organisers are thankful to the Principal, and Vice Principal concerned.

Abstract

Proved theorem serves as a building block of mathematics and helps in its advancement. To formulate a theorem and prove it beyond doubt has therefore been one of the core activities from antiquity.

With time, the proof of the theorem became intricate in the sense of its length. Over the last five decades some of the proofs assumed gigantic length and checking their correctness by age old manual method is found wanting. As a natural recourse, the use of computers was introduced in the theorem-proof process.

However, it has raised several questions. Does the machine understand the meaning of the theorem, can it establish a new theorem, can the hardware and software of a computer be assumed flawless are some of those.

The talk will focus on the changing trends in this context and reflect on the consequences.

ALL ARE CORDIALLY INVITED!!!

When Gandhian Principles meet Economic Innovation....

A **webinar** organised by
UGC sponsored **Gandhian Studies Centre**

2nd Oct, 2020 , 10.30 am

This Gandhi Jayanti , let us pledge to grow together.

DUBBED AS THE THE STOCK MARKET ANALYST WHO SOLD HIS FERRARI

An IIM Ahmedabad alumnus , on CNBC channel

In Gandhi Ashram , Ahmedabad for FOUR years

Siddharth Sthalekar
Founder, Sacred Capital
(based in Singapore)

Siddharth Sthalekar with his team is building a 'reputation based economy'. The aim is in activating Reputation as a currency that amplifies new kinds of value and new technological innovations like blockchains and distributed ledger technology holds out a definite promise in this direction. Capital instead of being merely material capital can be broadened to social, cultural and intellectual capital. The potential of 'reputation based economics' is that it fosters the regeneration of social fabric and wealth can be multidimensional.

Join us as Siddharth shares his journey as an IIM Ahmedabad graduate and former banker, who later spent four years in the Gandhi Ashram in Ahmedabad and how the spirit of Gandhi's Gram Swaraj can be rekindled in today's world.

He has spoken on television channels , at MIT, TEDx ..., featured in Forbes Asia, CQ ...

Energy Swaraj : Essence of Sustainability

A **webinar** organised by
UGC sponsored **Gandhian Studies Centre**
29th Jan 2021 , Friday at 9.45 am

DUBBED AS THE
THE SOLAR GANDHI OF INDIA

Solar Chulha Challenge by ONGC

SoUL (Solar Urja Lamp Project)
receives Prime Minister's Excellence
Award under Innovations category

SoUL project receives Prime Minister's Award for Excellence 2017

Dr Chetan Singh Solanki

An Academician , Researcher , Innovator,
Social Entrepreneur , Educator,
A Professor with Dept of Energy Science and
Engineering ,IITB and currently on a 11 year long
leave from IITB , now stays in a solar bus and on
a mission to promote clean energy.

The global climate is changing and posing risk to ecosystem, human health and economy. We are already facing the impact of a changing climate –increasing sea level, extreme weather, flooding, droughts etc.

Mitigating and adapting to climate change are key challenges of the 21st century. At the core of these challenges is the question of energy –our overall energy consumption and dependence on fossil fuels. Large amount of green house gases are released by burning fossil fuels for electricity generation, transport etc.

We need to embrace clean energy sources...

Energy Swaraj is wherein locals generate their own energy , can have a robust livelihood and economy based on it , is linked to Gandhi's idea of local self reliance and sustainability.

Join us to hear Prof Chetan Solanki , who hails from a small remote village in Madhya Pradesh , studied under the light of kerosene lamp in childhood and now committed on a mission to provide 'clean light ' to all....

Meet link will be provided later.
