Report:

Career guidance plays a very important role in the lives of all individuals specially in youngsters, as it helps in setting future goals and choosing careers. Career guidance is much-needed service to those who did not plan for their future at an early stage; more should be done to assist the younger generations in personal career development. When college students have a clear grasp of their greatest job options, they may plan better, proceed faster to higher education, and contribute to a more productive society in the future. Smt. Chandibai Himathmal Mansukhani College, Ulhasnagar, is contributing to this by holding career counseling seminars for graduates and postgraduate college students.

Objectives of the programs organized by the college:

- A range of workshops and seminars are organized to help students understand various career prospects, the procedures for applying for those occupations, and various competitive tests, as well as the necessity of having a goal, passion, and hard work to attain the desired objective.
- To provide the students of the various department a platform to resolve their queries and inhibitions related to these national/ state level competitive exams.
- To prepare students for successful job interviews.

Activities conducted:

Under the heading of Guidance for competitive examinations and career counseling, various departments, committees, and associations of the College have organized several workshops, seminars, and talks to benefit the stakeholders about their career options and also provided them guidance for Competitive examination as per their requirements for a variety of exams including NET, SLET, UPSC, MPSC and many more. Total 2154 students benefitted from the 29 programs conducted under guidance for competitive examinations and career counseling sessions organized.
