Smt. Chandibai Himathmal Mansukhani College
CHM Incubation Centre

Report 2020-21

About the Centre:

HSNCB's Smt. CHM College, one of the prominent colleges affiliated to the University of Mumbai, is proud to establish "CHM Incubation Centre" (CIC) to enable learners with entrepreneurship and innovation driven activities. The centre aims at developing business acumen among the learners, staff and community in general. The centre also endeavors at launching successful startups with industry linkages. Today, it's not possible to imagine an educational institution without laboratory, library or sports ground. In the fast-changing competitive world, incubation centre has the same relevance. CIC endeavors at helping the students to create a business idea and converts them into actual application through innovation.

Vision:

Designing a platform for fostering innovation and facilitate budding entrepreneurs to convert their innovative ideas through business acumen into viable business solutions along with creating the synergy between academia and industry to generate and promote the entrepreneurial culture and the ecosystem.

Mission:

- To create an entrepreneurial mindset among the students.
- To facilitate creation, transfer and application of knowledge and ideas.
- To incubate and support innovative ideas to enact wealth & employment action through successful startups
- To provide a platform for speedy commercialization of products / services developed by new entrepreneurs.
